Notes: [1] Above mentioned teams from Australia and Hong Kong SAR (China) successfully participated in the 2017 Contemporary Undergraduate Mathematical Contest in Modeling. The certificates of participation will be sent to the teams through the addresses specified by the teams in their registration information on the website.

[2] There are over 36700 teams from China (including Macau SAR) participated in the 2017 China Undergraduate Mathematical Contest in Modeling. The contest results for these teams will be announced separately on the website <http://cn.mcm.edu.cn>.
